Rules and Requirements

***We ask that you please read this section with care and take**
note of any mandatory requirements before signing this contract*

General Requirements:

Please be aware that this is a contract that requires a credit card to reserve all of your appointments. Prices are subject to change as your attendants may change their styling needs. The balance will be processed on the day of the services. The full fee will be processed for all appointments not kept or changed without **14 days' notice** of cancellation. **A gratuity of 20% will be added into the total of your services.**

It is very important that all information be completed on this contract. Changes to any sections left blank or marked "to be determined" must be submitted in writing but will only be scheduled as time allows. All appointment scheduling will initially be done based on the original information submitted on this contract. Additions (Mothers' services and make-up for bridal party) may not be honored if submitted after the original contract due to existing appointments and needs of the regular salon clients.

The bride is the only one authorized/ allowed to submit and change any arrangements for the wedding. If the Bride is planning the wedding from out of town she may appoint ONE person to be in charge of arrangements in her absence. Contracts submitted and changes made by anyone other than the bride are not allowed and considered invalid. The wedding coordinator and salon owner are the only ones to accept and make change requests.

Practice Requirements:

Bridal hair services incorporate an initial consultation to discuss all matters concerning the big day and completion of a style. We do require this trial run, as it ensures perfection and timing to make sure you arrive on time for the big day.

Our professional make-up artists use techniques designed to bring out beauty with flawless natural looking make-up. On the big day do not underestimate everyone needs to have professional hair and make-up to help ease timing, frustration, and create perfection in front of your guests and the camera.

We require a wedding hairstyle practice to be scheduled at least 2-3 weeks prior to your wedding day. The practice is an hour time slot. If you choose to have a practice make-up that is a separate time slot and is not required.

On the day of your practice you must bring your headpiece and veil.

Please take note that although the hair and makeup trial run is a requirement for the bride to schedule at least one month prior to her actual wedding day the need to prepay for those same trial run services are not. We **DO NOT** calculate the bride's trial run services fee into the contract's grand total! The bride is responsible to take care of the fee for her trial run services the day that it is scheduled and completed.

Very important:

- **For anyone receiving specialty styling on the day of the wedding, please have them wear a button down shirt and come to the salon with clean dry hair. Please do not have any wax products in your hair when getting styling done. For anyone receiving make-up services please bring your own foundation and/ or powder. You may also wish to bring your own lipstick so you may reapply during the event.**

I have read, understand, and agree to the terms of this contract. Deposit payment by credit card or check is due upon submission of this document.
